

## IP LITIGATION LAWYER

*We are hiring!*

*The pharma litigation group at Deeth Williams Wall is looking for a dynamic and talented associate lawyer to join our team. The ideal candidate will have experience handling all aspects of litigation in the pharmaceutical patent space and a graduate degree in chemistry, biology, pharmacology or related discipline.*

We are looking for a lawyer with 2 to 3 years' experience.

**Successful candidates will have the following qualifications:**

- Client-oriented and result-driven, and able to work well in a fast-paced environment.
- Skilled and experienced in litigation, especially in the Federal Court of Canada in the patent, health regulatory, and Patented Medicines area.
- Experience advising on strategic IP strategies to protect and commercialize inventions.
- Excellent legal, communication and organizational skills.
- Licensed lawyer in good standing with the Law Society of Ontario.
